COVID-19: Temporary IHE Office Closure Precautionary Measure

Due to COVID-19 and following public health guidance, as a precautionary measure the IHE offices at 1200, 10405 Jasper Avenue will be closing effective Wednesday, March 18, 2020. All IHE staff will be working remotely, and we will continue to provide all services in support of evidence-informed healthcare policy and practice.

If you have any questions, please contact info@ihe.ca. Email addresses for particular staff members can also be found at: <https://www.ihe.ca/about/staff-directory>.

The Institute of Health Economics (IHE) is an independent, not-for-profit research organization that conducts health economics and health services research, performs health technology assessments, and convenes health policy engagements for a wide variety of public and private health system stakeholders.
